

Fill in the gaps

Let's start in style, let's (1) for a while	Some are a melody and some are the beat
Heaven can (2) we're only (3)	Sooner or later they all will be gone
the skies	Why don't they (14) young?
Hoping for the best, but expecting the worst	It's so (15) to get old (16) a
Are you gonna drop the (4) or not?	cause
Let us (5) young or let us (6) forever	I don't want to perish like a fading horse
We don't have the power, but we never say never	Years like diamonds in the sun
Sitting in the sandpit, life is a (7) trip	And diamonds are forever
The music's for the sadman	So (17) (18) given up
Can you (8) when this race is won	today
Turn out all the (9) the sun	So (19) songs we forgot to play
Praising our leaders, we're getting in tune	So (20) dreams swinging out of the blue
The music's played by the madman	Oh let it come true
Forever Young	Forever Young
I (11) to be Forever Young	I (21) to be (22) Young
Do you really want to (12) forever?	Do you really (23) to (24) forever?
Forever, you'll never	Forever, you'll never
Forever Young,	Forever Young,
I want to be Forever Young	I want to be (25) Young
Do you really want to live forever?	Do you really (26) to live forever?
Forever Young	Forever Young.
Some are like water, some are (13) the heat
