Love The Way You Lie by Eminem & Rihanna

Come back

SUB inglés
We're running right back
Here we go again
It's so insane
Cause when it's going good
It's going great
I'm Superman
With the wind in his bag
She's Lois Lane
But when it's bad
It's awful
I feel so ashamed
I snap
Who's that dude
I don't even know his name
I laid hands on her
I'll never stoop so low again
I guess I don't (3) my own strength
Just gonna stand there and watch me burn
But that's alright
Because I like the way it hurts
Just gonna (4) there and hear me cry
But that's alright
Because I love the way you lie
I love the way you lie
I love the way you lie
You ever love somebody so much
You can barely breathe
When you're with them you meet
And neither one of you

Even know what hit 'em

Got that warm fuzzy feeling

Yeah (5)____ chills

Used to get 'em
Now you're getting fucking sick
Of looking at 'em
You swore you've never hit 'em
Never do nothing to hurt 'em
Now you're in each other's face
Spewing venom and (6) words
When you spit 'em
You push, pull each other's hair
Scratch, claw, bit 'em
Throw 'em down
Pin 'em
So lost in the moments
When you're in 'em
It's the rage that took over
It controls you both
So (7) say it's best
To go your separate ways
Guess that they don't know ya
Cause today
That was yesterday
Yesterday is over
It's a (8) day
Sound like broken records
Playin' over
But you promised her
Next time you'll show restraint
You don't get (9) chance

Fill in the gaps

Life is no Nintendo game But you lied again Now you get to watch her leave Out the window Guess that's why they call it window pane Just gonna (10)_____ there and watch me burn But that's alright Because I like the way it hurts Just gonna stand there and hear me cry But that's alright Because I love the way you lie I love the way you lie I love the way you lie Now I know we said things Did things That we didn't mean And we fall back Into the same patterns Same routine But your temper's just as bad As mine is You're the same as me But when it comes to love You're just as blinded Baby please come back It wasn't you Baby it was me

Maybe our relationship

Isn't as crazy as it seems

Maybe that's what happens

When a tornado meets a volcano All I know is I love you too much To walk away though Come inside Pick up your bags off the sidewalk Don't you hear sincerity In my voice when I talk Told you this is my fault Look me in the eyeball Next time I'm pissed I'll aim my fist At the dry wall Next time There will be no next time I apologize Even though I know it's lies I'm tired of the games I just want her back I know I'm a liar If she ever tries to fucking leave again I'mma tie her to the bed And set the house on fire Just gonna stand there and watch me burn But that's alright Because I like the way it hurts Just gonna stand there and hear me cry But that's alright
