There's a fire starting in my heart		And you played to the beat	
Reaching a fever pitch it's bringing me out the dark		(Tears are gonna fall, rolling in the deep)	
Finally I can see you (1) clear		We could have had it all	
Go ahead and sell me out and I'll lay your ship bare		Rolling in the deep	
See how I'll leave with every piece of you		You had my (8) inside of your hand	
Don't underestimate the things that I will do		but you played it with a beating	
There's a fire (2)	in my heart	Throw your (9)	through every open door
Reaching a fever pitch and it's bringing me out the dark		Count your blessings to find what you look for	
The scars of your love remind me of us		Turned my sorrow into treasured gold	
They keep me thinking that we almost had it all		You pay me back in kind and reap just what you sow	
The scars of your love they leave me breathless		(You're gonna wish you, never had met me)	
I can't help feeling		We could have had it all	
We could've had it all		(Tears are gonna fall, rolling in the deep)	
(You're gonna wish you, never had met me)		We could have had it all, yeah	
Rolling in the Deep		(You're gonna wish you, never had met me)
