

Fill in the gaps

No remorse cause I still remember
The smile when you tore me apart
You took my heart
Deceived me right from the start
You showed me dreams
I wished they'd turn into real
You broke a promise and made me realize
It was all just a lie
Could (7) been forever
Now we have reached the end
This world may have failed you
It doesn't give you reason why
You (8) have chosen a different path in life
The smile when you tore me apart
You took my heart
Deceived me right from the start
You (9) me dreams
I wished they'd (10) into real
You broke a promise and made me realize
It was all just a lie
Could have been forever
Now we have reached the end
