## Reach Out by Hilary Duff & Prophet

Let's go	Reach out and touch me (before I go insane)
So bring (1) passport, girl	Reach out and touch me (boy don't you make me wait)
I'm trying to show you the world	I'm a diamond and you're so on the money
I know (2) ex did you bad	Reach out and touch me
But I'm your new perfect man	And all I need is to feel you
Dignity where you stand	Reach out and (6) me
With just a touch of my hand	
I'm trying to show you my plan	Let's Go
You got me, girl. I'm a fan	I'm here to play with fire
From the minute that you walked	Your body's my desire
Right throught the door	The time to flirt across the room doesn't expire
Thoughts were racing in my mind time to explore	'Cuz you a superstar
I tell my friends (3) I just gotta have him	Get in my supercar
Don't look now, cause I see you staring at him	The paparazzi watchin' us the t-t-tube is on
Then my vision had him walked on in the side	I know I took it far
On a mission, for position by the end of the night	But look how good you are
It's like a prey playing games with the hunter	And (7) how good you look
You better run boy, it's time to surrender	One touch, I'm supercharged
And all I (4) is to feel you	Baby, can't you see how you're (8) me
All I want is to feel you	Baby sensual, physical, fantasy
Reach out and touch me (before I go insane)	Maybe, faith brought the two of us closer
Reach out and touch me (boy don't make me wait)	Don't you wanna, don't you wanna
I'm a diamont and you're so on the money	Don't you wanna, don't you wanna
Reach out and touch me	Reach out and touch me
And all I need is to feel you	Reach out and touch me
Reach out and touch me	Reach out (before I go insane)
Like a prayer, your touch can take me there	And touch me baby (reach out and touch me)
In my mind, you and me in a secret affair	Boy don't you make me wait
Boy you're killing me, and you don't even know it	I'm a diamond and you're so on the money
Tried to hold back but I can't control it	Reach out and touch me (reach out and touch me)
So I'm stepping to you, skip the how you're doing	And all I need is to feel you
Grab your mind and pull you closer to me, yeah	Reach out and touch me
I'll leave the doors open and than we start kissing	
Boy you're invited to my fantasy	
And all I (5) is to feel you	
All I want is to feel you
