

## Fill in the gaps

Doncamatic	(Talk to me, talk to me)
Down lowly	Tell me did you feel that?
Make up for the time you wasted	Doncamatic
Come slowly	Down lowly
And (1) back before you're left behind	Make up for the time you wasted
Close the (2) book	Come slowly
Unpluck the brain from the game	Claim back the boy
Cause it's (3) to (4) out (5)	You left behind and close the (14) book
the stars	Unpluck the (15) from the game
Get on the fame	It's time to wipe out
The (6) is not the same	Till the bar get on the fame
When we're all played out	The song is not the same
Played out, all played out	When we're all played out
They said the member is all played out	Played out, all (16) out
Played out, all played out	(Talk to me, (17) to me)
Tell me did you feel that?	You see the (18) is all played out
Don't slow down	Played out, all played out
Even if it's (7) to escape	(Talk to me, talk to me)
Just down, low down	The (19) is not the same
Before somebody (8) the place	When we're all played out, (20) out
Close the white book	(Talk to me, talk to me)
Unpluck the brain (9) the game	The (21) is not the same
'Cause it's (10) to wipe out till the stars	When we're all played out, played out
Get on the fame	Played out, played out
And the conversation's over	(Talk to me, talk to me)
We're all (11) out	Tell me did you feel that?
Played out, all (12) out	
(Talk to me, talk to me)	
You see the (13) is all played out	
Played out, all played out
