Doncamatic		(Talk to me, talk to me)
Down lowly		Tell me did you (6) that?
Make up for the time you wasted		Doncamatic
Come slowly		Down lowly
And claim back before you're left behind		Make up for the time you wasted
Close the white book		Come slowly
Unpluck the brain from the game		Claim back the boy
Cause it's time to (1) out till the stars		You left behind and (7) the white book
Get on the fame		Unpluck the brain from the game
The song is not the same		It's (8) to wipe out
When we're all played out		Till the bar get on the fame
Played out, all played out		The song is not the same
They said the member is all played out		When we're all played out
Played out, all played out		Played out, all (9) out
Tell me did you feel that?		(Talk to me, talk to me)
Don't slow down		You see the member is all played out
Even if it's (2) to escape		Played out, all played out
Just down, low down		(Talk to me, talk to me)
Before somebody steals the place		The song is not the same
Close the white book		When we're all played out, played out
Unpluck the brain from the game		(Talk to me, talk to me)
'Cause it's (3) to wipe out (4)	the stars	The song is not the same
Get on the fame		When we're all played out, played out
And the conversation's over		Played out, played out
We're all played out		(Talk to me, talk to me)
Played out, all played out		Tell me did you (10) that?
(Talk to me, talk to me)		
You see the member is all played out		
Played out, all (5) out
