

## Fill in the gaps

## I've Never Been To Me by Charlene

Hey lady, you lady	And showed em (14) I'd got
Cursing at your life	I've been undressed by kings
You're a discontented mother	And I've seen some things
And a regimented wife	That a woman ain't supposed to see
I've no doubt you (1) about	I've been to paradise
The things you never do	But I've never been to me
But I wish someone had have talked to me	Hey, you know (15) is?
Like I want to talk to you	It's a lie
(Ooh) I've (2) to Georgia and	A fantasy recreated by people
(3) and	And places as we'd like them to be
Anywhere I could run	But you (17) what (18) is?
Took the hand of a preacher man	It's that (19) baby you're holding
And we (4) love in the sun	And it's that man you fought (20) this morning
But I ran out of places and friendly faces	The same one you're (21) to make love
Because I had to be free	(22) tonight
I've been to paradise	That's true, that's love
But I've (5) been to me	Sometimes I've been to crying for unborn children
Please lady, (6) lady	That might have made me complete
Don't just walk away	But I, I took the sweet (23) and never knew
Coz I (7) this need to tell you	I'd be bitter from the sweet
Why I'm all alone today	I (24) my (25) exploring
I can see so (8) of me (9) living in	The (26) whoring that costs too much to be
your eyes	free
Won't you share a part of a weary heart	Hey lady, I've been to paradise
That has (10) a million lives	But I've never been to me
(Ooh) I've been to Nice and the (11) of Greece	
While I (12) champagne on a yacht	
I moved (13) Harlow in Monte Carlo
