Smiling (1) and laughing eyes	And you was talking bees
But you keep on (2) me all those lies	And was he down upon his knees
How'd you expect me to believe	Beating around the bush
Honey I ain't that naive	Your the meanest woman I've ever known
Baby I got my eye on you	Sticks and stones won't break my bones
Cause you do all the (3) I want you to	I know what you're looking for
Stop your crying and dry you tears	You've eaten your cake you want some more
I ain't that wet behind the ears	I'm gonna (8) you just one more chance
You can throw me lefts	Try to save our romance
You can throw me rights	I've done everything I'm gonna do
But where was you last night	The rest is up to you
Beating around the bush	And you can chew it up
Wish I knew what was on (4) mind	And you can spit it out
Why you being so unkind	Let it all hang out
Remember those nights we spent alone	Beating around the bush
Talking on the telephone	Chew it up
Thoughts of you (5) throw my brain	Spit it out
You (6) me that you felt the same	Let it all hang out
