But you keep on telling me all those lies	And was he down upon his knees
How'd you expect me to believe	Beating around the bush

But (2) was you last night	The (8) is up to you
Beating around the bush	And you can chew it up
Wish I knew what was on your mind	And you can spit it out
Why you being so unkind	Let it all (9) out
Remember those nights we spent alone	Beating around the bush
Talking on the telephone	Chew it up
Thoughts of you going throw my brain	Spit it out
