

Fill in the gaps

At (1) (2) is w	vicked and I just can't	Believe you can fly
see the light		Away, away
A silver lining (3)	isn't enough	Am I hiding in the shadows?
To make some wrongs seem right		Forget the pain and forget the sorrows
Whatever life brings		Am I hiding in the shadows?
I've been through everything		Forget the (7) and forget the sorrows
And know I'm on my knees again		But I know I must go on
But I know I must go on		Although I (8) I must be strong
Although I hurt I must be strong		Because (9) I know that many feel this way
Because inside I know (4) ma	any feel this way	Children don't stop dancing
Children don't stop dancing		Believe you can fly
Believe you can fly		Away, away
Away, away		Children don't stop dancing
At times life's unfair and you know it's plain to see		Believe you can fly
Hey God I know I'm just a dot in this world		Away, away
Have you forgot (5) me?		Children don't stop dancing
Whatever life brings		Believe you can fly
I've been through everything		Away, away
And know I'm on my knees		Am I hiding in the shadows?
But I know I must go on		Are we (10) in the shadows?
Although I hurt I must be strong		
Because inside I know that many (6)	this way
