

## Fill in the gaps

At times life is (1) and I (2) can't	Believe you can fly
see the light	Away, away
A (3) (4) sometimes isn't	Am I hiding in the shadows?
enough	Forget the pain and forget the sorrows
To (5) some (6) (7)	Am I hiding in the shadows?
right	Forget the (22) and (23) the
Whatever (8) brings	sorrows
I've been through everything	But I (24) I must go on
And know I'm on my knees again	Although I (25) I must be strong
But I (9) I (10) go on	Because inside I know that (26) feel this way
Although I (11) I must be strong	Children don't stop dancing
Because inside I (12) that (13) feel this	Believe you can fly
way	Away, away
Children don't stop dancing	Children don't (27) dancing
Believe you can fly	Believe you can fly
Away, away	Away, away
At (14) life's unfair and you know it's plain to see	Children don't (28) dancing
Hey God I (15) I'm just a dot in (16)	Believe you can fly
world	Away, away
Have you forgot (17) me?	Am I hiding in the shadows?
Whatever life brings	Are we hiding in the shadows?
I've been through everything	
And know I'm on my knees	
But I (18) I must go on	
Although I (19) I must be strong	
Because inside I know (20) many feel this way	
Children don't (21) dancing
