

Fill in the gaps

Day after day	But sooner or (7) I gotta choose
Time pass away	And once again I'm thinking about
And I just can't get you off my mind	Taking the easy way out
Nobody knows, I hide it inside	But if I let you go
I keep on searching but I can't find	I will never know
The courage to show	What my life (8) be
To (1) you know	Holding you (9) to me
I've never (2) so much love before	Will I ever see
And once again I'm (3) about	You smiling back at me (oh yeah)
Taking the easy way out	How will I know?
But if I let you go	If I let you go
I will never know	If I let you go
What my life would be	(Oh baby)
Holding you close to me	Once again I'm thinking about
Will I ever see	Taking the easy way out
You smiling back at me (oh yeah)	But if I let you go
How will I know?	I will never know
If I let you go	What my life would be
Night after night	Holding you close to me
I hear myself sayin'	Will I ever see
Why can't this feeling (4) fade away?	You (10) back at me
There's no one (5) you	How will I know?
You speak to my heart	If I let you go
It's such a shame we're (6) apart	
I'm too shy to ask	
I'm too proud to lose
