

## Fill in the gaps

With everything happening today	You've (6) my only friend
You don't know whether you're coming or going, but	You told me (7) they can
You think that you're on your way	Understand the man I am
Life lined up on the mirror don't blow it	So why are we here talking to (8) other again
Look at me when I'm talking to you	Looking at me now I can see my past
You're looking at me but I'm looking through you	Damn I look just like my fucking dad
I see the blood in your eyes	Light it up, that's smoke at mirrors
I see the love in disguise	I even look good in the broken mirror
I see the pain hidden in your pride	I see my momma smile, that's a blessin'
I see you're not satisfied	I see the change, I see the message
And I don't see nobody else	And no message could've been any clearer
I see myself	So I'm (9) with the man in the
I'm looking at the	Mirror on the wall (MJ told me that)
Mirror on the wall	Here we are again
Here we are again	Through my rise and fall
Through my rise and fall	You've been my only friend
You've been my (1) friend	You told me that they can
You told me that they can	Understand the man I am
Understand the man I am	So why are we talking to each other again
So why are we here talking to (2) (3)	Mirror on the wall
again	Here we are again
Oh, I see the truth in your lies	Through my rise and fall
I see nobody by (4) side	You've been my only friend
But I'm with you when you're all alone	You told me that they can
And you correct me when I'm looking wrong	Understand the man I am
I see that guilt beneath the shame	So why are we here talking to each other again
I see your soul through your window pain	Mirror on the wall
I see the scars that remain	
I see you Wayne, I'm (5) at the	So why are we talking to each other again
Mirror on the wall	
Here we are again	
Through my rise and fall
