

Fill in the gaps

Do you know what's worth fighting for?			You and I
When it's not worth dying for?			(Did you)
Does it take your breath away?			Did you try to (6) on your own?
And you feel yourself suffocating?			(When you)
Does the pain weigh out the pride?			When you burned down the house and home?
And you (1)	for a (2)	_ to hide?	(Did you)
Did someone break your heart inside?			Did you stand too close to the fire?
You're in ruins			Like a liar looking for forgiveness
One, twenty-one guns			From a stone
Lay down your arms			When it's (7) to live and let die
Give up the fight			And you can't get another try
One, twenty-one guns			Something inside this heart has died
Throw up your arms into the sky			You're in ruins
You and I			One, twenty-one guns
When you're at the end of the road			Lay (8) your arms
And you lost all sense of control			Give up the fight
And your thoughts have taken their toll			One, twenty-one guns
When your mind breaks the (3) of your soul			Throw up your arms into the sky
Your faith walks on broken glass			One, twenty-one guns
And the hangover doesn't pass			Lay (9) your arms
Nothing's ever built to last			Give up the fight
You're in ruins			One, twenty-one guns
One, twenty-one guns			Throw up your arms into the sky
Lay down your arms			You and I
Give up the fight			
One, twenty-one guns			
Throw up (4) arms (5) the sky
