Do you know what's worth fighting for?	You and I
When it's not worth dying for?	(Did you)
Does it take your breath away?	Did you try to (9) on your own?
And you feel yourself suffocating?	(When you)
Does the pain weigh out the pride?	When you burned down the house and home?
And you (1) for a place to hide?	(Did you)
Did someone break your heart inside?	Did you stand too close to the fire?
You're in ruins	Like a liar looking for forgiveness
One, twenty-one guns	From a stone
Lay down your arms	When it's time to live and let die
Give up the fight	And you can't get (10) try
One, twenty-one guns	Something inside this heart has died
Throw up your arms into the sky	You're in ruins
You and I	One, twenty-one guns
When you're at the end of the road	Lay down your arms
And you lost all sense of control	Give up the fight
And your (2) (3) taken their	One, twenty-one guns
toll	Throw up your arms into the sky
When your (4) (5) the	One, twenty-one guns
(6) of your soul	Lay down your arms
Your (7) walks on broken glass	Give up the fight
And the (8) doesn't pass	One, twenty-one guns
Nothing's ever built to last	Throw up your arms into the sky
You're in ruins	You and I
One, twenty-one guns	
Lay down your arms	
Give up the fight	
One, twenty-one guns	
Throw up your arms into the sky
