Most of everyday

Fill in the gaps

Other Side Of The World by KT Tunstall

Over the sea and far away		Is full of tired excuses		
She's waiting (1) an iceberg		But it's to hard to say		
Waiting to change		I (7)	it (8)	simple
But she's (2) inside		But we give up easily		
She wants to be (3) the water		You're close enough to see that		
All the muscles tighten in her face		You're the other side of the world to me		
Buries her soul in one embrace		Can you help me?		
They're one and the same just like water		Can you let me go?		
The fire fades away		And can you still love me?		
Most of everyday		When you can't see me anymore		
Is (4) of tired excuses		And the fire fades away		
But it's to hard to say		Most of everyday		
I wish it (5) simple		Is full of tired excuses		
But we give up easily		But it's to hard to say		
You're close enough to see that		I wish it were simple		
You're the other side of the world to me		But we give up easily		
On comes the panic light		You're (9)	eno	ugh to see that
Holding on with fingers and (6)	_ alike	You're the of	ther side of the v	world
But the time has come		The other side of the world		
To move along		You're the other side of the world to me		
And the fire fades away
