

Most of everyday

Fill in the gaps

Other Side Of The World by KT Tunstall

Over the sea and far away	is full of tired excuses
She's waiting like an iceberg	But it's to hard to say
Naiting to change	I (8) it (9) simple
But she's (1) inside	But we give up easily
She wants to be (2) the water	You're close (10) to see that
All the muscles (3) in her face	You're the (11) side of the (12) to
Buries her (4) in one embrace	me
They're one and the same just like water	Can you (13) me?
The fire fades away	Can you let me go?
Most of everyday	And can you still (14) me?
s full of tired excuses	When you can't see me anymore
But it's to (5) to say	And the fire fades away
(6) it were simple	Most of everyday
But we give up easily	Is full of (15) excuses
You're close enough to see that	But it's to (16) to say
You're the (7) side of the world to me	I wish it were simple
On comes the panic light	But we (17) up easily
Holding on with fingers and feelings alike	You're (18) (19) to see that
But the time has come	You're the other (20) of the world
To move along	The (21) (22) of the world
And the fire fades away	You're the other side of the (23) to me
