Fill in the gaps

Billionaire by Travie McCoy & Bruno Mars

I wanna be a billionaire, so fucking bad	I'll be playing basketball with the president
Buy all of the things I never had	Dunking on his delegates
I wanna be on the cover of Forbes magazine	Then I'll compliment him on his political etiquette
Smiling next to Oprah and the Queen	Toss a couple milli in the air just for the heck of it
Oh every time I close my eyes	But keep the fives, twentys completely separate
I see my name in shining lights	And yeah I'll be in a whole new tax bracket
(Yeah)	We in recession but let me take a crack at it
A different city every night	I'll probably take (6) left and just split it
Oh I, I swear, the world better prepare	ир
For when I'm a billionaire	So everybody that I love can have a couple bucks
Yeah I would have a show like Oprah	And not a single tummy around me
I would be the host of, everyday Christmas	Would know what hungry was
Give Travie a wish list	Eating good sleeping soundly
I'd (1) pull an Angelina and Brad Pitt	I know we all have a similar dream
And adopt a bunch of babies that ain't never had shit	Go in your pocket pull out your wallet
Give away a few Mercedes like "here lady have this"	And put it in the air and sing
And last but not least grant somebody their (2)	I wanna be a billionaire so fucking bad

It's been a couple (3) that I've been single so	I wanna be on the cover of (7) magazine
You can call me Travie Claus minus the (Ho Ho)	Smiling next to Oprah and the Queen
(Hehe), get it, I'd probably visit where Katrina hit	Oh every time I close my eyes
And damn sure do a lot more than FEMA did	I see my name in shining lights
Yeah, can't forget about me stupid	(Oh yea-yeah)
Everywhere I go I'ma have my own theme music	A different city every night
Oh every time I (4) my eyes	Oh I, I swear, the world better prepare
I see my name in shining lights	For (8) I'm a billionaire
A different city every night	(Oh oooh oh oooh)
Oh I, I swear the world better prepare	When (9) a billionaire
For when I'm a billionaire	(Oh oooh oh oooh)
