Bless The Child (Live) by Nightwish

T was (1) (2) the purple waterralis.	why am i loved only when i'm gone?
I was weak, yet not unblessed.	Gone back in time to bless the child
Dead to the world. Alive for the journey.	Think of me (16) enough to (17) a
One (3) I dreamt a white rose withering,	memory
A newborn drowning a lifetime loneliness.	Come bless the child one more time
I dreamt all my future. Relived my past.	Think of me (18) enough to make a memory
And (4) the beauty of the beast"	Come bless the (19) one more time
Where have all the feelings gone?	"Where have all the feelings gone?
Why has all the laughter ceased?	Why is the (20) sin - to love as I loved
Why am I loved only (5) I'm gone?	you?
Gone (6) in time to bless the child	Now unblessed, homesick in time,
How can I (7) feel again?	Soon to be freed from care, from human pain.
Given the (8) would I return?	My tale is the most bitter truth:
Why am I loved only (9) I'm gone?	Time pays us but (21) earth & dust,
Gone (10) in (11) to bless the child	And a dark, (22) grave.
Think of me long (12) to (13) a	Remember, my (23) Without innocence
memory	The cross is only iron,
Come bless the child one more time	Hope is only an illusion
I've never (14) so alone in my life	& Ocean Soul's nothing but a name
As I drank from a cup which was counting my time	The Child bless (24) & keep (25)
There's a poison drop in this cup of Man	forever"
To drink it is to (15) the left hand path
