

Fill in the gaps

Hey baby, when we are together	I don't (17) to run away
Doing things that we love	I want to (18) forever, thru time and time
Every time you're (1) I feel (2) I'm in	No promises
heaven	I don't wanna run away, I don't wanna be alone
Feeling high	No promises
I don't want to let go, girl	Baby, now I (19) to (20) you tight
I just need you to know girl	Now and forever my love
I don't (3) run (4) baby	No promises
You're the one I (5) tonight	I don't wanna run away baby
No promises	You're the one I need tonight
Baby, now I need to hold you tight	No promises
I just wanna die in your arms	Baby, now I (21) to hold you tight
Here tonight	I just wanna die in (22) arms
Hey baby, (6) we are together	Here tonight
Doing things (7) we love	I don't wanna run away baby
Everytime you're (8) I (9)	You're the one I need tonight
(10) I'm in heaven	No promises
Feeling high	Baby, now I need to hold you tight
I don't want to let go, girl	I (23) wanna die in your arms
I just need you to (11) girl	Here tonight
I don't (12) run away baby	
You're the one I (13) tonight	
No promises	
Baby, now I (14) to (15) you tight	
I just (16) die in your arms
