Fill in the gaps

There are too many questions	And the (3) can look so sad
There is not one solution	Only you make me feel good
There is no resurrection	I got you under my skin
There is so much confusion	I got you under my skin
And the love profusion	I got you under my skin
You make me feel	I got you under my skin
You make me know	(I got you under my skin)
And the love vibration	(I got you under my skin)
You make me feel	(I got you (4) my skin)
You (1) it shine	(I got you under my skin)
There are too many options	And the love profusion
There is no consolation	You make me feel
I have lost my illusions	You (5) me know
What I want is an explanation	And the love intention
And the love profusion	You make me feel
You make me feel	You make me shine
You make me know	You (6) me feel
And the love direction	You make me shine
You make me feel	You make me feel
You make me shine	I got you (7) my skin
You (2) me feel	I got you (8) my skin
You make me shine	I got you under my skin
You make me feel	I got you under my skin
I got you under my skin	I got you under my skin
I got you under my skin	I got you under my skin
I got you under my skin	I got you under my skin
I got you under my skin	I got you under my skin
There is no comprehension	And I know I can feel bad
There is real isolation	When I get in a bad mood
There is so much destruction	And the (9) can look so sad
What I want is a celebration	Only you (10) me feel good
