

Fill in the gaps

As I lay me down			In you I can be strong	
Heaven hear me now			I (6) to you	
I'm lost without a cause			I look to you	
After (1) it my all		And when melodies are gone		
Winter storms have come			In you I (7) a song	
And darkened my sun			I look to you	
After all (2) I've been through			(My levees are broken)	
Who on Earth can I turn to?			(My walls (8) come)	
I look to you			Tumbling down on me (tumbling down on	me)
I look to you			All the rain is falling (the rain is falling)	
After all my strength is gone			(Defeat is calling)	
In you I can be strong			Set me free (I need you to set me free)	
I look to you			Take me far away from the battle	
I look to you			I need you	
And when melodies are gone			Shine on me	
In you I hear a song			I look to you	
I look to you			I look to you	
About to lose my breath			After all my strength is gone	
There's no (3)	(4)	left	In you I can be strong	
Sinking to rise no mo	ore		I look to you	
Searching for that open door			I look to you	
And every road that I've taken			And when melodies are gone	
Lead to my regret			In you I hear a song	
And I don't know if I'm gonna make it			I look to you	
Nothing to do but (5) my head			I (9) to you	
I look to you			I (10) to you	
I look to you				
And when all my stre	ength is gone
