

## Fill in the gaps

### Fine by Whitney Houston

It's Fine

Fine, fine, fine, fine, fine

It's alright

Had a dream (1)\_\_\_\_\_ night

That the world (2)\_\_\_\_\_ turning

But your madness, it kept on

Guess I wasn't too bright

And I really wasn't learning

Should (3)\_\_\_\_\_ seen it all along

All those sweet (sweet), sweet (4)\_\_\_\_\_ (yeah)

And those sweet (sweet) red roses (yeah)

They convinced me that it was you

I made you (you) exclusive (yeah)

Now it's so (now it's (5)\_\_\_\_\_ that) conclusive

That you wasn't doing it too

If you'd told me from the start that you're playing

Around it would have been fine

It would have been fine

Then I would have played too and I guess

I would have had a good time...

If you'd told me from the start that you're playing

Around it would have been fine...

Then I would have (6)\_\_\_\_\_ too and I guess

I would have had a good time...

Something didn't feel right

And I wish I knew it

I just could not see your games...

I got respect for you

And you put me through it

## Fill in the gaps
