

## Fill in the gaps

### Fine by Whitney Houston

It's Fine

Fine, fine, fine, fine, fine

It's alright

Had a dream last night

That the world stopped turning

But your madness, it kept on

Guess I wasn't too bright

And I really wasn't learning

Should have seen it all along

All those sweet (sweet), sweet kisses (yeah)

And those sweet (sweet) red roses (yeah)

They convinced me that it was you

I made you (you) exclusive (yeah)

Now it's so (now it's conclusive that) conclusive

That you wasn't doing it too

If you'd told me (1)\_\_\_\_\_ the start that you're playing

Around it would have been fine

It would have been fine

Then I would have played too and I guess

I would have had a good time...

If you'd told me from the start that you're playing

Around it would have been fine...

Then I would have played too and I guess

I (2)\_\_\_\_\_ have had a good time...

Something didn't (3)\_\_\_\_\_ right

And I wish I knew it

I just (4)\_\_\_\_\_ not see (5)\_\_\_\_\_ games...

I got respect for you

And you put me through it

## Fill in the gaps

Why would you (6)\_\_\_\_\_ me so much pain

I would stil (7)\_\_\_\_\_ for you, 'cause I did adore you

While my dogs would chew you out

Tried to be so (8)\_\_\_\_\_ on those (9)\_\_\_\_\_ nights

(On those lonely, lonely, lonely nights)

But I should have figured you out

If you'd told me (10)\_\_\_\_\_ the start that you're playing

It (11)\_\_\_\_\_ have been fine

Then I would have played too and I guess

Around it would have been fine

Then I would have played too and I guess

I would have had a good time
