

Fill in the gaps

Fine by Whitney Houston

It's Fine

Fine, fine, fine, fine, fine

It's alright

Had a dream (1)_____ night

That the world stopped turning

But your madness, it kept on

Guess I wasn't too bright

And I really wasn't learning

Should have (2)_____ it all along

All those sweet (sweet), sweet kisses (yeah)

And those sweet (sweet) red roses (yeah)

They convinced me that it was you

I made you (you) exclusive (yeah)

Now it's so (now it's conclusive that) conclusive

That you wasn't doing it too

If you'd told me from the start that you're playing

Around it would have been fine

It would have been fine

Then I would have played too and I guess

I would have had a good time...

If you'd (3)_____ me from the start that you're playing

Around it would have been fine...

Then I would have played too and I guess

I would have had a (4)_____ time...

Something didn't feel right

And I wish I knew it

I just could not see your games...

I got (5)_____ for you

And you put me through it

Fill in the gaps

Why would you bring me so much pain

I would stil love for you, 'cause I did adore you

While my dogs would chew you out

Tried to be so nice on those lonely nights

(On (6)_____ lonely, lonely, lonely nights)

But I should have figured you out

If you'd told me from the (7)_____ that you're playing

Around it would (8)_____ been fine

It would have (9)_____ fine

Then I would have played too and I guess

I would have had a good time

I would have had a (10)_____ time

If you'd told me from the start that you're playing

Around it would (11)_____ been fine
