# Fine by Whitney Houston

### Fill in the gaps

And you put me through it

## Why would you bring me so much pain

I would stil love for you, 'cause I did adore you
While my dogs (8) chew you out
Tried to be so nice on those lonely nights
(On those lonely, lonely, lonely nights)
But I should have figured you out
If you'd (9) me from the start that you're playing
Around it would have been fine
It would have been fine
Then I would have played too and I guess
I would have had a (10) time
I (11) have had a good time
If you'd told me from the (12) that you're playing
Around it would have been fine
It would have (13) you baby
Then I would (14) played too and I guess
I (15) have had a (16) time
Baby you're so fine
(You are the one that I love)
You are so fine
(Your love was sent from above)
You are so
(You're fine, fine, fine, fine, fine, fine, fine, fine, fine, fine)
(So doggone fine)
Baby you're so fine
(You are the one that I love)
You are so fine, fine
(Your love was sent from up above)
Oh you're mall of mine
(You're fine, fine, fine, fine, fine, fine, fine, fine, fine, fine)

Fine
(You are the one that I love)
Fine
(Your love was sent from up above)
(You're fine, fine, fine, fine, fine, fine, fine, fine, fine)
(So (17) fine)
If you'd told me from the start that you're playing
Around it would have been fine
If you (18) me
Then I would have (19) too and I guess
I would have had a good time
Feel good time, (20) good time
Feel good time, feel good time
If you'd told me from the start that you're playing
Around it would have been fine
Had a real good time, boy now
Then I (21) have (22) too and I guess
I would have had a good time
I guess I would have had a good time
If you'd (23) me from the start that you're playing
Around it would have been fine
It would have been fine, boy
Then I would have played too and I guess
I would have had a good time
If you'd told me from the (24) that you're playing
Around it (25) have been fine
It's fine, it's fine, it's fine
Then I (26) (27) too and I guess
I would have had a good time

#### Fine, fine, fine, fine

If you'd told me from the start that you're playing
Around it would (29) been fine
Then I would have played too and I guess
I would have had a good time
