

Fill in the gaps

Fine by Whitney Houston

It's Fine

Fine, fine, fine, fine, fine

It's alright

Had a dream last night

That the world stopped turning

But your madness, it kept on

Guess I wasn't too bright

And I (1)_____ wasn't learning

Should have seen it all along

All those sweet (sweet), sweet (2)_____ (yeah)

And those sweet (sweet) red roses (yeah)

They convinced me that it was you

I made you (you) exclusive (yeah)

Now it's so (now it's conclusive that) conclusive

That you wasn't doing it too

If you'd told me from the start that you're playing

Around it (3)_____ have been fine

It would (4)_____ been fine

Then I (5)_____ have played too and I guess

I would have had a (6)_____ time...

If you'd told me from the start that you're playing

Around it would have been fine...

Then I would have played too and I guess

I (7)_____ have had a good time...

Something didn't feel right

And I wish I knew it

I just could not see your games...

I got respect for you

And you put me through it

Fill in the gaps

Why would you (8)_____ me so much pain

I would stil love for you, 'cause I did adore you

While my dogs would (9)_____ you out

Tried to be so nice on those (10)_____ nights
