Clock strikes upon the hour	On a love that burns hot enough to last
And the sun begins to fade	So when the night falls
Still enough (1) to figure out	My lonely heart calls
How to chase my blues away	Oh I wanna dance with somebody
I've done alright up till now	I wanna feel the heat with somebody
Its the light of day that shows me how	Yeah I wanna dance with somebody
And when the (2) falls the loneliness calls	With somebody who loves me
