Fill in the gaps

I don't wanna be the reason		It's so unreal you know		
We don't get down		Don't want this to stop		
So Ima let you do the leading		Your so damn keep able		
And follow you now		Feel your magic touch		
See I just don't usually do this		It's unbelievable		
But you're (1) me out		I gotta have you, like al	bracadabra	
All the guys I had have gone away		You got my heart unloc	ked	
When your touching me I'm not afraid		It's so unreal you know		
Know the same, (2) away, (3)	to stay	Don't want this to stop		
I (4) wanna be your girl		Your so damn keep able		
can be all you want, will you say		Feel your magic touch		
I just wanna be your girl, yeah		It's unbelievable		
Coz you got my (5) unlocked		I gotta have you, like abracadabra		
It's so unreal you know		I don't (9)	take my time	
Don't want this to stop		I don't wanna wait in line		
Your so damn keep able		I just want you by my side		
Feel your magic touch	el your magic touch		Come and give me what I like	
It's unbelievable		I don't wanna take my time		
I gotta have you, like abracadabra		I don't wanna wait in line		
You got my heart unlocked		I just want you by my side		
It's so unreal you know		Come and give me what I like		
Don't want this to stop		Coz you got my heart unlocked
