## Un-Thinkable (I'm Ready) by Alicia Keys

Moment of honesty	It's become something that's impossible to ignore
Someone's (1) (2) the lead tonight	It's what we make it
Who's it gonna be?	I was wondering maybe
I'm gonna sit right here	Could I make you my baby
And tell you all that comes to me	If we do the un-thinkable will it make us (17) crazy
If you have (3) to say	Or would it be so beautiful (18) way I'm sayin
You (4) say it right now	If you ask me I'm ready
(You (5) say it right now)	If you ask me I'm ready
You (6) me a feeling that I (7) felt	Why give up (19) we try
before	Feel the lows (20) the highs
And I (8) it, I know I deserve it	Clip our wings before we fly away
It's (9) something that's	I can't say I can't compare
(10) to ignore	I'm (21) in the air
And I can't (11) it	Won't you come be in the sky (22) me?
I was wondering maybe	
Could I make you my baby	I was (23) maybe
If we do the un-thinkable (12) it make us look crazy	Could I make you my baby
If you ask me I'm ready	If we do the un-thinkable (24) it make us look crazy
If you ask me I'm ready	Or would it be so beautiful either way I'm sayin
I know you said to me	If you ask me I'm ready
"This is exactly how it should feel	If you ask me I'm ready
When it's meant to be"	If you ask me I'm ready
Time is only wasting so why (13) for eventually	If you ask me I'm ready
If we gonna do something (14) it	
We should do it (15) now	
(We should do it right now)	
You (16) me a feeling that I never felt before	
And I deserve it, I know I deserve it
