### Comfortably Numb (Cover) by Staind

Hello	It (15) a little pinprick
Is there (1) in there?	There'll be no more (ahh)
Just nod if you can hear me	You may feel a little sick
Is there anyone at home?	Can you stand up?
Come on, now	I do (16) it's working, good
I hear you're feeling down	That'll (17) you (18) for the show
I can ease your pain	Come on, it's time to go
Get you on your (2) again	There is no pain, you are receiving
Relax	A (19) ships smoke on the horizon
Need some information first	You're (20) coming through in waves
Just the basic facts	Your lips move
Can you (3) me (4) it hurts?	But I can't (21) what you're saying
There is no pain, you are receiving	I was a child
A (5) ships (6) on the horizon	I caught a fleeting glimpse
You're only coming (7) in waves	Out of the corner of my eye
Your (8) move	I turned to (22) but it was gone
But I can't (9) what you're saying	I (23) put my finger on it now
I was a child, I (10) a fever	The (24) is grown, the dream is lost
My hands (11) (12) like two balloons	And I (25) become comfortably numb
Now I've got that fever (13) again	I have become comfortably numb
Can't explain, you would not understand	
This is not how I am	
I have (14) comfortably numb	
Okav
