## Fill in the gaps

| (Loca)                          |
|---------------------------------|
| (Loca)                          |
| (Loca)                          |
| Dance or die, die, die, die     |
| (Loca)                          |
| (Loca)                          |
| She's playing dumb all the time |
| Just to keep it fun             |
| To get you on like              |
| Be careful (amigo)              |
| She's talking and walking       |
| Just to work you up             |
| And she'd die for your love     |
| But your love's only mine now   |
| (Yo sigo tranquila)             |
| Like I'm on a (1) in Anguilla   |
| Sippin' my Corona               |
| Like there's nothing going on   |
| I ain't (2) you alone           |
| What is (3) for me              |
| No other girl is gonna take it  |
| So (4) him up                   |
| And I'm crazy, but you like it  |
| (Loca, loca, loca)              |
| You like that it ain't easy     |
| (Loca, loca, loca)              |
| And I'm crazy, but you like it  |

(Loca, loca, loca)

#### And I'm crazy, but you like it

| That (5) is a naughta                          |
|--|
| Hot though, I heat it up when I touch her      |
| (Chica caliente)                               |
| Got me bumping to merengue                     |
| I (6) so (el presidente)                       |
| I'm runnin' shit and I'm lovin' it             |
| She's got a mean old bumper                    |
| But you should see what she does with it       |
| She dips it down low (down low, down low)      |
| I can never get enough, oh no, oh no           |
| She gives me the runaround                     |
| But I stay chasin'                             |
| But I need help, I'm in love with a crazy girl |
| But it's all good and it's fine by me          |
| Just as long as I hear her say                 |
| (Ay, papi)                                     |
| And I'm crazy, but you like it                 |
| (Loca, loca, loca)                             |
| You like that it ain't easy                    |
| (Loca, loca, loca)                             |
| And I'm crazy, but you like it                 |
| (Loca, loca, loca)                             |
| I'm crazy, but you like it                     |
| (Loca, loca, loca)                             |
| You're the one for me                          |
| And for her no more                            |
| Now you think she's got it all                 |

Ain't got one kiki

You're the one for me

| And for her no more                                  |
|--|
| Though you think she's got it all                    |
| I got my kiki  |
| Okay, she doesn't (7) the things                     |
| That I do to please you                              |
| I'll (8) you to the (malecón por un caminito)        |
| They saw your girlfriend looking for me with a rifle |
| 'Cause we were (9) mambo                             |
| What, she doesn't allow it?                          |
| I really can't help it                               |
| If I make the lady (loca)                            |
| I don't want no trouble                              |
| I just wanna hit the                                 |
| And I'm crazy, but you like it                       |
| 'Cause a kinda girl like me                          |
| They're running out in the market                    |
| And I'm crazy, but you (10) it                       |
| (Loca, loca, loca)                                   |

| (Loca, loca, loca)                                   |
| And I'm crazy, but you like it                       |
| (Loca, loca, loca)                                   |
| I'm crazy, but you like it                           |
| (¡Dios mío!)   |
|  |
| You're the one for me                                |
| And for her no more                                  |
| Though you think she's got it all                    |
