Give Me All Your Luvin' by Madonna & M.I.A. & Nicki Minaj

(L-U-V Madonna)	Give me all your love and give me your love
(Y-O-U you wanna)	Give me all your love today
I see you coming and I don't (1) know	Give me all (7) love and give me your love
(2) name	Let's forget about time
(L-U-V Madonna)	And dance our lives away
I see you coming	(Give me all your love boy) (8) me all your love boy
And you're gonna have to (3) the game	You could be my boy, you could be my boy toy
(Y-O-U you wanna)	In the nick of time I could say a sicker rhyme
Would you like to try?	'Cause it's time for change like a nickel or a dime
Give me a reason why	I'm Roman, I'm a barbarian, I'm Conan
Give me all that you got	You was sleeping on me, you were dozin'
Maybe you'll do fine	Now move, I'm goin' in!!
As long as you don't lie to me	You have all the L-U-V
And pretend to be what you're not	I gave you everything you need (now move)
Don't play the stupid game	Now it's up to Y-O-U
'Cause I'm a different kind of girl	Are you the one, shall we proceed?
Every record sounds the same	Me eat, licks on sw-sw-swag shit
You've got to step (4) my world	No one gives you this
Give me all your love and (5) me your love	It's supersonic, bionic, uranium hit
Give me all your love today	So I break 'em off tricks
Give me all your love and give me your love	Let's pray (9) it sticks
Let's forget about time	Imma say this once, yeah I don't give a shit
And dance our lives away	Don't play the stupid game
(L-U-V Madonna)	'Cause I'm a different kind of girl
(Y-O-U you wanna)	Every record sounds the same
Keep trying don't give up	You've gotta step into my world
It's if you want it bad enough	Give me all your love and give me your love
(L-U-V Madonna)	(L-U-V Madonna)
It's right in front of you	Give me all your love and give me your love
Now tell me what you're thinking of	(Y-O-U you wanna)
(Y-O-U you wanna)	Give me all your love and give me (10) love
In another place, at a different time	Give me all your love today
You can be my lucky star	Give me all your love and give me your love
We can drink some wine	Let's forget about time
Burgundy is fine	And dance our lives away
Let's drink the bottle every drop	
Don't play the stupid game	
'Cause I'm a (6) kind of girl	
Every record sounds the same	
You've got to step into my world
