Fill in the gaps

So Far Gone by James Blunt

Tell me the wars you're fighting
Behind the smile you're hiding
All of the things I know you want to say
We tried our best to find us
But there are no lights to guide us
I can't sleep beside a stranger now
And (1)_____ by piece we fall apart
But every beat slows down my heart
So I'll just say what you won't say
And I'll take the blame if it's for your sake
No turning back on what you can't save
So far gone
Yeah, we're so far gone
I've tried (2)_____ to remember
This (3)_____ cell used to be a shelter
Now we're just looking for the best way out
And I can't (4)_____ you anymore
You're (5)_____ one foot out the door
So I'll just say what you won't say
And I'll take the blame if it's for your sake
No turning back on what you can't save
So far gone
Yeah, we're so far gone
And this is the face of letting go
And these are the things we already know
So I'll just say what you won't say
And I'll take the (6)_____ if it's for your sake
No turning back on what you can't save
So I'll (7)_____ say what you won't say (won't say)
And I'll take the (8)_____ if it's for your sake (your sake)
No turning (9)_____ on what you can't save
So far gone
Yeah, we're so far gone
Yeah, we're so far gone
So I'll just say what you won't say
