Common People by Pulp

Fill in the gaps

She came from Greece		Smoke some fags and (5)	_ some pool
She had a thirst for knowledge		Pretend you never went to school	
She (1)	sculpture at Saint Martins College	But still you'll never get it right	
That's where I		'Cos when you're laying in bed at night	
Caught her eye		Watching roaches climb the wall	
She told me that her dad was loaded		If you called your dad he could stop it all, yeah	
I said, "In that (2) I'll have rum and Coca-Cola"		You'll never live like common people	
She said, "Fine"		You'll never do whatever common people do	
And then in thirty seconds' time, she said		Never fail like (6) people	
"I wanna live like common people		You'll (7) watch your life slide out of view	
I (3) do	whatever common people do	And then dance and drink	
Wanna sleep with co	mmon people	Because there's nothing else to do	
I wanna sleep with (4	4) people like you"	Sing along with the common people	
Oh, what else could I do?		Sing along and it might just get you through	
I said, "I'll, I'll see what I can do"		Laugh along with the common people	
I took her to a supermarket		Laugh along even though they're laughing at you	
I don't know why, but I had to start it somewhere		And the stupid things that you do	
So it started there		Because you think that poor is cool	
I said: "Pretend you've got no money"		Wanna live with common people like you	
And she just laughed	and said, "Oh, you're so funny"	Wanna live with common people like you	
I said, "Yeah? Huh		Wanna live with (8)	people like you
I can't see anyone els	se smiling in here	Wanna live with common people (9) you
Are you sure		Wanna live with common people like you	
You wanna live like common people		Wanna live (10) common people like you	
You wanna see whatever common people see		Oh, la la la la	
Wanna sleep with common people		Oh, la la la la	
You wanna sleep with common people like me?"		Oh, la la la la la la	
But she didn't understand		Oh, yeah	
She just smiled and h	neld my hand		
Rent a flat above a si	hop		
Cut your hair and get	a job
