

Fill in the gaps

She (1) from Greece	Smoke some (16) and play some pool
She had a thirst for knowledge	Pretend you (17) (18) to school
She studied sculpture at Saint Martins College	But still you'll never get it right
That's where I	'Cos when you're laying in bed at night
Caught her eye	Watching roaches climb the wall
She told me that her dad was loaded	If you called your dad he could stop it all, yeah
I said, "In (2) case I'll (3) rum and	You'll never live like common people
Coca-Cola"	You'll (19) do whatever common people do
She said, "Fine"	Never fail like common people
And then in thirty seconds' time, she said	You'll never watch your life slide out of view
"I wanna live (4) common people	And (20) dance and drink
I wanna do whatever common people do	Because there's nothing else to do
Wanna sleep with (5) people	Sing along with the (21) people
I (6) sleep (7) common people like	Sing along and it might just get you through
you"	Laugh along with the common people
Oh, what else could I do?	Laugh (22) even though they're
I said, "I'll, I'll see what I can do"	(23) at you
I took her to a supermarket	And the stupid things that you do
I don't know why, but I had to start it somewhere	Because you think that poor is cool
So it started there	Wanna live with common people (24) you
I said: "Pretend you've got no money"	Wanna (25) with common people (26)
And she just (8) and said, "Oh, you're so	you
funny"	Wanna live with common people like you
I said, "Yeah? Huh	Wanna live with common (27) (28)
I can't see anyone (9) in	you
here	Wanna live with common people like you
Are you sure	Wanna live with common people like you
You wanna live like (11) people	Oh, la la la la
You wanna see whatever common people see	Oh, la la la la
Wanna sleep with common people	Oh, la la la la la la
You (12) sleep with (13) people	Oh, yeah
like me?"	
But she didn't understand	
She just smiled and held my hand	
Rent a flat above a shop	
Cut (14) (15) and get a job
