I'll pretend	Now we'll never know what the other meant
My heart's not on fire if you steal	Watch is ticking
My true love's name (1) down subway	Like a heartbeat gone berserk
In this (2) of spires	Lost the (18) to wind the key roosters are
Tape (3) picture over his in the frame	nothing
We'll imagine	But (19) clockwork
We're sleeping revolvers (4) wedding	Our fears are (20) what we tell them to be
In a strange SoHo	Our fears are only what we tell them to be
Our chambers hold silvery collars	Drown the last of our matches
Gun (5) (6) wherever we	Burn the rest of each other
go we	You (21) strongest (22) I ached for
Gun down werewolves wherever we go	breath
Midnight phone calls	Through the (23) of smoke we'll
In the back of a Mustang	(24) smother
Creased (7) pages torn right from the spine	
Kissed my (8) a crooked, cracked	Young blood
fang	Young bone
You (10) hoped one day you'd be mine	Old ghosts
Threw our fathers	Go home
On (11) pyres I'm not sure	Young blood
We were playing a (12) busted gasket	Young bone
In a field (13) of liars	Old ghosts
No one (14) we set five boroughs aflame	Go home
No one (15) we set five boroughs aflame	Young blood
	Young bone
Young blood	Old ghosts
Young bone	Go home
Old ghosts	Young blood
Go home	Young bone
Band of gold	Old ghosts
With a diamond implied you (16) letters	Go home
That you never sent I made promises	
I'll (17) deny
