I be on the hotline, like erryday	Then I hear vibrations all up in my trunk
Making sure the DJ know what I want him to play	And the (5) be rattling through my
You know I got my top back and my beat low	seats
Rocking my stunna shades and turnin' up my radio	Then that crazy (6) starts happening Oh
Turn up my radio, radio, radio	I get butterflies when I hear the DJ
I think I'm in love with my radio	(Playing the stuff I like)
Cause it never lets me down	And I fall deeper in love with every song he plays
And I fall in love with my stereo	He's got a place in my heart
Whenever I hear that sound	I think I'm in love with my radio
(Oh oh	Cause it never lets me down
Whenever I (1) that sound	And I fall in love with my stereo
(Oh oh	Whenever I hear that sound
Whenever I hear (2) sound	(Oh oh
You're the only one that Papa allowed	Whenever I (7) that sound
To hang out in my room	(Oh oh
With the door closed we'd be alone	Whenever I (8) that sound
And mama never freaked out when she heard it go BOOM	I be on the hotline, like erryday
'Cause she knew we were in the zone	Making (9) the DJ know (10) I want him
Hold him in my arms and (3) out of my window	to play
(Under the moonlight)	You know I got my top back and my beat low
And he be keeping me calm so I'd never let him go	Rocking my stunna shades and turnin' up my radio
He's got a place in my heart	Turn up my radio
I think I'm in love with my radio	I think I'm in love with my radio
Cause it never lets me down	Cause it never lets me down
And I fall in love with my stereo	And I fall in love with my stereo
