

## Fill in the gaps

I remember when you use to take me	You've given me such security
On a bike ride everyday on the bayou	No matter what (5) I know you're there
(You remember that? We were inseparable)	for me
And I remember when you (1) do no wrong	You cure my disappointments and you heal my pain
You'd come home from work	You understand my fears and you protected me
And I jumped in your arms when I saw you	Treasure every extraordinary memory and that's why
(I was so excited)	(I want) My unborn son to be like my daddy
I was so happy to see you (so happy to see you)	I want my husband to be like my daddy
Because you loved me I overcome (yeah)	There is no one else like my daddy
And I'm so proud of what you've become (yeah)	And I thank you (thank you) for loving me
You've given me such security	Even if my man broke my heart today
No matter what mistakes I know you're there for me	No matter how much pain I'm in I will be okay
You cure my disappointments and you heal my pain	'Cause I got a man in my life that can't be replaced
You understood my fears and you protected me	For this love is unconditional it won't go away
Treasure every irreplaceable memory and that's why	I know I'm lucky
I want my unborn son to be like my daddy	Know it ain't easy
I want my husband to be like my daddy	For men who take care of their responsibilities
There is no one else like my daddy	Love is overwhelming
And I thank you (thank you) for loving me	Lord why did you pick me
I still (2) the expression on your face	Can't stop my tears from falling
When you found out I'd been on a date	I love you so much daddy
And had a boyfriend	(Thank you, you've done so much for me)
(My first boyfriend, you (3) have seen your	(I love you, daddy)
face)	I get so emotional daddy, every (6) I think of you
I still remember	I get so emotional daddy, (7) (8)
I caught you crying cause of my tattoo	think of you
Could have said Beyonce I told you so	There is no one (9) like my daddy
Instead you said you'd get one too	No one else (10) my daddy
(Even my mama said y'all get one just like mine)	
Words can't express my (4) gratitude	
for you	
I appreciate what you do
