

Fill in the gaps

First Floor (ah)			Thought about everything
Room (1) (ah)			I'm so naive imagining and all that
Smells like danger (let's go)			Did it again, love
Even better (let's go)			I got it all wrong
Set your (2) (ah)			But it felt so right
Bless our souls (ah)			I can't believe it
I'm in trouble (yes, I know)			And all the mistakes
But it feels like heaven			That went on for too long
Hey!			Wish there was a way
You were like one of those guys			I could delete it
The kind with a wandering eyes (hey!)			Eh, eh, eh
But I said, "hey what the hell			Ah, ah, ah
Once in my life I'll (3)	a (4)	on the wild	Eh, eh, eh
side"			Ah, ah, ah
You were so full of yourself			It may seem to you that I am in a place
But damn, were you cute, as well (hey!)			Where I'm losing the direction of my life
You liked my legs, I liked your moves			But I'm sure that this is nothing but a phase
Anyone could tell that it's hard to deny that			Right back at ya, cause I'll survive
Did it again, now			It may seem to you that I am in a place
I got it all wrong			Where I'm losing the direction of my life
But it (5) so right			But I'm (8) that this is nothing but a phase
I can't believe it			Right (9) at ya, cause I'll survive
And all the mistakes			Did it again, love
That went on for too long			I got it all wrong
Wish there was a way			But it felt so right
I could delete it			I can't believe it
Eh, eh, eh			And all the mistakes
Ah, ah, ah			That went on for too long
Eh, eh, eh			Wish there was a way
Ah, ah, ah			I could delete it
Second night in a row			Did it again, love
Back in trouble			I got it all wrong
I don't get it			Eh, eh, eh
Gotta keep it down			Ah, ah, ah
'Cause the lobby called			Eh, eh, eh
We ignore it (yes, I know)			Ah, ah, ah
Getting better			Eh, eh, eh
Hey!			Ah, ah, ah
When it comes to men it's known			Eh, eh, eh
That I end up choosing wrong			Ah, ah, ah
'Cause I (6) tri	p and fall		
The same old rock and repeat	and go back		
How (7) a girl ca	n be		
To miss you hide your ring			

1. Sixteen
