Animal Instinct by The Cranberries

Suddenly somtehing has happened to me	They will (14) make me die
As I was having my cup of tea	And the (15) that gets to me
Suddenly I was feeling depressed	Is you'll (16) really see
I was utterly and (1) stressed	And the thing that freaks me out
Do you know you made me cry (Oh)	Is I'll (17) be in doubt
Do you know you made me die	The animal, the animal
And the (2) (3) (4) to me	The (18) instinct in me
Is you'll never really see	It's the animal, the animal
And the (5) (6) freaks me out	The (19) instinct in me
Is I'll always be in doubt	It's the animal, it's the animal
It is a (7) thing that we have	It's the animal instinct in me
It is a (8) thing that we	It's the animal, it's the animal
It is a lovely thing, the animal	It's the (20) in me
The (9) instinct	The animal, the animal
	The animal instinct in me
So take my (10) and come (11) me	It's the animal, it's the animal
We will change reality	It's the animal (22) in me
So take my (12) and we will pray	
They won't take you away	
They will never (13) me cry no
