

From the day we arrive on the planet

There's far too much to take in here

Fill in the gaps

And blinking, step into the sun	
There's more to be seen than can (1)	be see
More to do than can ever be done	
Some say eat or be eaten	
Some say (2) and let live	
But all are agreed as they join the stampede	
You should never take more than you give	
In the circle of life	
It's the wheel of fortune	
It's the leap of faith	
It's the band of hope	
Till we find our place	
On the path unwinding	
In the circle, the circle of life	
Some of us fall by the wayside	
And some of us soar to the stars	
And some of us sail through our troubles	
And some have to live (3) the scars	

More to find than can ever be found
But the sun rolling high through the sapphire sky
Keeps (4) and small on the endless round
In the circle of life
It's the wheel of fortune
It's the (5) of faith
It's the band of hope
Till we find our place
On the path unwinding
In the circle, the circle of life
It's the wheel of fortune
It's the leap of faith
It's the band of hope
Till we (6) our place
On the path unwinding
In the circle, the (7) of life
On the (8) unwinding
In the circle, the circle of life
