

Fill in the gaps

From the day we (1) on the planet	More to find (16) can ever be found
And blinking, step into the sun	But the sun (17) high through the
There's more to be seen than can ever be seen	(18) sky
More to do (2) can (3) be done	Keeps (19) and small on the endless round
Some say eat or be eaten	In the (20) of life
Some say live and let live	It's the (21) of fortune
But all are agreed as they join the stampede	It's the leap of faith
You should (4) take more (5) you	It's the band of hope
give	Till we find our place
n the (6) of life	On the path unwinding
t's the (7) of fortune	In the circle, the (22) of life
t's the leap of faith	It's the wheel of fortune
t's the (8) of hope	It's the (23) of faith
Till we find our place	It's the (24) of hope
On the path unwinding	Till we find our place
n the circle, the circle of life	On the path unwinding
Some of us fall by the wayside	In the circle, the (25) of life
And some of us (9) to the stars	On the path unwinding
And (10) of us (11) through our troubles	In the circle, the circle of life
And (12) have to (13) with the scars	
There's far too (14) to (15) in here
