

Fill in the gaps

From the day we arrive on the planet	More to find than can ever be found
And blinking, step (1) the sun	But the sun rolling high through the sapphire sky
There's more to be seen (2) can (3) be	Keeps great and small on the endless round
seen	In the circle of life
More to do than can ever be done	It's the wheel of fortune
Some say eat or be eaten	It's the leap of faith
Some say live and let live	It's the band of hope
But all are (4) as they join the stampede	Till we find our place
You should never take more than you give	On the path unwinding
In the circle of life	In the circle, the circle of life
It's the wheel of fortune	It's the wheel of fortune
It's the (5) of faith	It's the leap of faith
It's the band of hope	It's the band of hope
Till we find our place	Till we (8) our place
On the path unwinding	On the (9) unwinding
In the circle, the circle of life	In the circle, the circle of life
Some of us (6) by the wayside	On the path unwinding
And some of us soar to the stars	In the circle, the circle of life
And some of us sail through our troubles	
And some have to (7) with the scars	
There's far too much to take in here
