

## Fill in the gaps

	I (13) into your eyes
(Oh) He treats me with respect	I (14) to get to know you
He says he loves me all the time	And then you (15) (16) noise
He calls me (1) (2) a day	And it's apparent it's all over
He likes to make sure that I'm fine	It's not fair
You (3) I've never met a man	And I think you're really mean
Who's (4) me feel quite so secure	I think you're really mean
He's not like all them other boys	I think you're really mean
They're all so dumb and immature	(Oh) You're supposed to care
There's just one thing	But you never make me scream
That's getting in the way	You never make me scream
When we go up to bed you're just no good	(Oh) It's not fair
Its such a shame	And it's (17) not ok
I (5) (6) your eyes	It's really not ok
I want to get to (7) you	It's really not ok
And then you make this noise	(Oh) You're (18) to care
And its (8) it's all over	But all you do is take
It's not fair	Yeah, all you do is take
And I think you're really mean	There's just one thing
I (9) you're really mean	That's getting in the way
I think you're really mean	When we go up to bed you're just no good
(Oh) You're supposed to care	It's such a shame
But you never make me scream	I look into your eyes
You never make me scream	I want to get to know you
(Oh) It's not fair	And then you make (19) noise
And it's really not ok	And its (20) it's all over
It's really not ok	It's not fair
It's (10) not ok	And I think you're really mean
(Oh) You're supposed to care	I think you're really mean
But all you do is take	I think you're really mean
Yeah, all you do is take	(Oh) You're supposed to care
I lie here in the wet patch	But you never make me scream
In the middle of the bed	You (21) make me scream
I'm feeling pretty damn hard done by	(Oh) It's not fair
I've (11) ages giving head	And it's really not ok
Then I remember all the nice things	It's really not ok
That you ever said to me	It's really not ok
Maybe I'm just overreacting	(Oh) You're supposed to care
Maybe you're the one for me	But all you do is take
There's just one thing	Yeah, all you do is take
That's (12) in the way	
When we go up to bed you're just no good	
It's such a shame
