Fill in the gaps

Rolling In The Deep (Cover) by Linkin Park

There's a fire starting in my heart	Rolling in the deep
Reaching a fever pitch and it's (1) me	You had my heart (15) your hand
out the dark	But you played it to the beat
Finally I can see you crystal clear	We (16) have had it all
Go (2) and sell me out and a I'll lay your ship	Rolling in the deep
bare	You had my heart (17) of your hand
See how I'll leave with every piece of you	But you (18) it with a beating
Don't (3) the things	Throw your (19) through every open door
(4) l (5) do	Count your (20) to (21)
There's a fire starting in my heart	(22) you look for
Reaching a fever pitch and it's bring me out the dark	Turn my sorrow (23) treasured gold
The scars of your love remind me of us	You pay me back in kind
They (6) me thinking (7) we almost had	And (24) just what you sow
it all	
The scars of your love, they leave me breathless	You're gonna wish you (25) had met me
I can't help feeling	Tears are gonna fall
We could have had it all	Rolling in the deep
Rolling in the deep	You're gonna wish you
You had my (8) inside your hand	We could have had it all
And you played it to the beat	We (26) (27) had it all
Baby, I have no story to be told	Rolling in the deep
But I've heard one on you	You had my heart inside of your hand
And I'm gonna make (9) head burn	But you played it
See me in the (10) of your despair	You (28) it
Making a home down there	You played it
'Cause mine sure won't be shared	You played it to the beat
The scars of your love remind me of us	
They keep me (11) (12) we	
(13) had it all	
The scars of your love, they leave me breathless	
I can't help feeling	
We could (14) had it all
