

Fill in the gaps

I never thought that you	You put your arms around me
Would be the one to hold my heart	And I (5) that it's easier for you to let me go
But you came around	I hope that you see right through my walls
And you knocked me off the ground from the start	I hope that you (6) me, 'cause I'm already falling
You put (1) arms around me	I'll never let a love get so close
And I believe that it's easier for you to let me go	You put your arms around me and I'm home
You put (2) (3) around me and I'm	I (7) my best to never let you in to see the truth
home	And I've never opened up
How many times will you let me	I've never truly loved 'till you put (8) arms around
Change my mind and turn around	me
I can't decide if I'll let you save my life or if I'll drown	And I believe that it's easier for you to let me go
I hope that you see right through my walls	I hope that you see right through my walls
I hope that you catch me, 'cause I'm already falling	I hope that you catch me, 'cause I'm already falling
I'll never let a love get so close	I'll (9) let a love get so close
You put your arms around me and I'm home	You put your arms around me and I'm home
The (4) is coming down on me	You put (10) arms around me and I'm home
And I can't find a reason to be loved	
I never wanna leave you	
But I can't make you bleed if I'm alone
