

Fill in the gaps

I never thought that you	You put your arms around me
Would be the one to hold my heart	And I believe that it's easier for you to let me go
But you came around	I hope that you see right through my walls
And you knocked me off the (1) from the start	I hope (8) you catch me, 'cause I'm already falling
You put (2) arms (3) me	I'll never let a love get so close
And I believe that it's easier for you to let me go	You put your arms around me and I'm home
You put your arms around me and I'm home	I tried my best to never let you in to see the truth
How many times will you let me	And I've never opened up
Change my mind and turn around	I've never (9) loved 'till you put your arms
I can't decide if I'll let you save my (4) or if I'll	around me
drown	And I believe (10) it's easier for you to let me go
I hope that you see right through my walls	I hope that you see right through my walls
I hope that you catch me, 'cause I'm already falling	I hope that you catch me, 'cause I'm already falling
I'll (5) let a love get so close	I'll never let a love get so close
You put your arms around me and I'm home	You put your arms around me and I'm home
The world is coming (6) on me	You put your arms around me and I'm home
And I can't find a reason to be loved	
I never wanna leave you	
But I can't (7) you bleed if I'm alone
