Fill in the gaps

When I get older
I will be stronger
They'll call me freedom
Just like a (1) flag
Born (2) a throne
Older than Rome
But violent prone
Poor people zone
But it's my home
All I have known
Where I got grown
But now it's gone
Out of the darkness
In came the carnage
Threatening my very survival
Fractured my streets
And broke all my dreams
Now feels like defeat
To wretched retreat
So we strugglin'
Fighting to eat
And we wonderin'
If we'll be free
We (3) wait for some faithful day
It's too far away
So (4) now I'll say
When I get older

I will be stronger

Just like a waving flag
And then it goes back
And then it goes back
And then it (6) back
(Oh oh)
So many wars
Settling scores
All that we've been through
And now there is more
I (7) them say
Love is the way
Love is the answer
That's what (8) say
But we're not just dreamers
Of broken down grievers
Our hand (9) reach us
And we will not see you
This can't control us
No, it can't (10) us down
We gonna pick it up even though we still
Struggling
(Au nom de la survie)
And we wondering
And we wondering (Battant pour nos vies)
(Battant pour nos vies)
(Battant pour nos vies) We patiently wait

If you weren't involved before
It's never too late to start
